2. The Chief Executive, his/her nominee, or a solicitor or Counsel acting on his/her behalf (hereinafter "the Presenting Officer") shall prepare a written statement of case setting out the charge or charges made against the Fellow or Member.

3. The Presenting Officer will then send the copy of said written statement together with any documentation relied on in the charge or charges to the Clerk to the Disciplinary Committee who will fix a date and time when the Disciplinary Committee will be convened to hear the case made against the Fellow or Member.

4. Once the said date is determined, the Presenting Officer will serve the written statement and documentation on the Fellow or Member by recorded delivery post at his/her last known address, not less than twenty eight days prior to the date fixed for the Disciplinary Hearing.
together with a Notice specifying the place, date and time of the hearing and advising the Fellow or Member of the Committee's powers. Should they find the charge or charges proved, the Committee may recommend to the Council that the Fellow or Member be censured or have his/her Fellowship or Membership suspended or revoked. Said Notice shall also advise the Fellow or Member that he/she may represent himself/herself at the Hearing or be represented by a colleague or friend or by a solicitor or by Counsel. The Fellow or Member shall be responsible for all costs incurred in his/her representation. He/she shall be advised that if he/she, in the absence of reasonable grounds, fails to appear, the Committee will hear the case in his/her absence.

5. If the Fellow or Member wishes to lodge written representations then these must be lodged with the Clerk to the Committee not less than seven days prior to the Hearing.

6. The Hearing shall commence with the Chairman of the Committee reading the charge or charges aloud to the Fellow or Member and asking the Fellow or Member to state whether the charge or charges or any of them are admitted or denied.

7. If the charge or charges are admitted, this will be noted by the Chairman and he/she will thereafter invite the Presenting Officer to address the Committee. When the Presenting Officer has concluded his/her address, the Fellow or Member or his/her representative will be invited to lead evidence including witnesses in respect of mitigation and to address the Committee. At the conclusion of the Fellow or Member’s case the Committee will withdraw and after due consideration determine what, if any, recommendations they shall make to the Council in respect of the Fellow or Member’s continued Fellowship or Membership. The Committee's recommendations with brief reasons will be sent to the Secretary of the Council and to the Fellow or Member at the same time. The Fellow or Member will be advised by recorded delivery letter that if he/she wishes to appeal to the Council against the recommendation or any recommendations that he/she must do so in writing within twenty one days of the date of said letter.

8. If the charge or charges are not admitted then the Chairman will invite the Presenting Officer to present his/her case and to adduce evidence in support. The Fellow or Member or his/her representative will have the right to cross-examine any witness called by the Presenting Officer. At the conclusion of any such cross-examination members of the Committee may, if they wish, question the witness. The Fellow or Member or his/her representative will then be invited to present his/her case and adduce evidence in support. Any witnesses called on behalf of the Fellow or Member may be cross-examined by the Presenting Officer and thereafter may be questioned by members of the Committee. The Committee will then consider the evidence and announce whether or not it finds the charge or charges or any of them proved. If said charges are found not to be proved, the Committee will dismiss the case against the Fellow or Member.

9. If the charge or charges or any of them are found proved, the Committee will invite the Presenting Officer to address them further. The Fellow or Member or his/her representative may then further address the Committee and adduce evidence in mitigation.

10. The Committee will then consider what, if any, recommendations they will make to the Council in respect of the Fellow or Member’s continuing Fellowship or Membership. 11. If no appeal is intimated, then not less than twenty eight days after the Committee's
recommendations have been intimated to the Fellow or Member, the Council will receive the recommendations and decide whether or not to endorse them. The Fellow or Member will be advised of the Council's decision immediately thereafter by recorded delivery letter.

12. If an appeal is intimated timeously then the President of the Council will appoint a tribunal to hear the appeal. The Chairman of the Tribunal will normally be an Office-bearer of the College and the members of the Tribunal will be members of Council provided the said Chairman and members have had no part to play in the earlier hearing and are able to act impartially with regard to the case. In the event that no Office-bearer or member is able to meet the criteria then the President may seek to appoint suitable Office-bearers from another medical Royal College. The Fellow or Member will receive not less than twenty one days notice of the place, date and time of the appeal hearing and will be invited to submit written representations if he/she so wishes not less than seven days before the hearing. A copy of any such representations will be passed to the Presenting Officer who may submit any comments he/she wishes to make on them in writing to the Council. Only in exceptional circumstances will the Council permit further evidence to be led at any appeal.

13. At the commencement of the Appeal Hearing, the Chairman will invite the Fellow or Member or his/her representative to state his/her grounds of appeal to the Tribunal. The Presenting Officer will then address the Tribunal and Tribunal Members may question either or both parties but only through the Chairman.

14. The Tribunal will then consider the representations made by both parties and decide whether or not to uphold the appeal. That decision with brief reasons will be intimated to the Fellow or Member as soon as possible after the decision is made and in any event not later than three days after said decision.
