ESSENTIAL SKILLS FOR THE 21ST CENTURY SURGEON

📅 October 6 - 8, 2022

📍 Silver Jubilee Year Auditorium | The Tamil Nadu Dr. M.G.R. Medical University

The Royal College of Surgeons of Edinburgh's mission is to ensure the safety of patients and provide them with the best possible care. As part of this commitment globally, we are delighted to present a programme designed to meet the needs of early years surgeons in all specialties, to accompany our International Conference.

Participants will be invited to networking drinks and canapes on Thursday 6th of October in the ITC Grand Chola where they will have the opportunity to meet and network with Council members, trainers, and high-profile speakers.

Delegates will receive a certificate of attendance and completion and CPD points.

Audience
